PROFILE SUMMARY

I am a Fresh graduate in Informatics Engineering from Trisakti University, with a GPA of 3.60/4.00 and less than two years of experience in Data Analytics. As a Vice Leader in an organization for over 12 months, I have developed strong leadership, team-building, and extracurricular skills. I'm proficient in using Tableau Desktop, Python, and Microsoft Excel for effective data analysis. I'm detail-oriented, analytical, and always eager to learn and grow in this field. With my strong work ethic and passion for learning, I am confident in my ability to contribute positively to team or company.
